

Environmental Policy

Comer Holdings, LLC is committed to conducting its business in a way that provides leading environmental, health and safety performance through a strategy of continual improvement.

Our goals are to provide products and services that are safe and environmentally sound, conduct our operations in an environmentally responsible manner, and create health and safety practices and work environments that enable employees to work injury-free.

With the philosophy of continual improvement as our foundation, we will achieve these commitments through:

- Proactively reduce occupational injury and illness risks
- Meet or exceed applicable legal requirements
- Aggressively pursue pollution prevention, energy conservation and waste reduction in our operations
